

How to be an Effective RCM

History:

An RCM has been a subordinate to Area But a member of the Region.

At one time a region would not have an executive committee but it would consist of rcm's for task related projects.

Function:

To carry an Area's conscience- communication link....(ASC-RSC) ,)Subcommittees, ASC –ASC, and NAWS. Considering the larger fellowship. Leadership role ie Regional member – mentorship – Group Resource- Pulling out the “pearls”. Learning then doing.

Requirements for Success

1. Good Communication Skills (Written and Verbal)\
2. Time and Resources
3. Service Experience
4. Solid Consistency, Commitment
5. Humility –ability to make a fool of oneself
6. Listening Skills
7. Ability to Process Information
8. Be a willing Mentor
9. Working Knowledge of STC
10. Recognize group conscience (know own ASC) process (2nd Tradition and 8th Concepts)
11. Consider all opportunities
12. Flexibility

Touchstones

Small Group Discussion

1. What can the RCM do to move towards the ideals we just discussed?
2. What can the Region do to help this effort?
