Building Strong Home Groups

Lancaster Room

For many of us, finding NA is like finding home. This session will give members an opportunity to discuss ways to strengthen the groups and provide a sense of home and belonging —so that all addicts seeking recovery will continue to come to NA and feel welcomed.

11:30am-1pm ***Who Is Missing and Why?*** Greg **Lancaster Room**

NA is attracting more and more members and our fellowship has become more diverse than ever before. But there are still many addicts who feel that NA is not for them. This discussion will examine what we can do to be more attractive and convey a clear message that all are welcome to find recovery in NA.

11:30am-1pm ***How to be an Effective RCM*** Sherry **Arbor I & II**

Among their many duties, the Regional Committee Member (RCM) is a critical link in the flow of communication. This is a great workshop for anyone who is an RCM, serves with an RCM or is considering being an RCM!

1-2:30pm *Lunch break*

2:30-4pm *Our Service System* Greg Lancaster Room

This session will ask members to look at how we can improve the ways we provide services. Taking recovery principles into our service meetings, cooperating between committees and areas, and general ways to make service more productive and rewarding will be the focus.

2:30-4pm *Medication In Recovery* Sherry Arbor I & II

Drawing from In Times of Illness and the 10th Tradition essay in It Works: How and Why, this discussion will give members a chance to examine the issue of medication from the perspective of individual experience, attitudes and opinions, along with the guidance offered in our literature.

4:30-6pm *Leadership In NA* Greg Lancaster Room

This discussion will help members find ways to identify and cultivate leadership in our trusted servants. We will address approaches such as mentoring, training, orientation, and recognition.

4:30-6pm *Area Planning Tool* Sherry Arbor I & II

There are seven planning steps, each is necessary to the overall development and creation of the plan. With the tool, everyone involved knows what needs to be done, who is doing the work, and when to anticipate each step's completion.

6-8pm *Dinner break*

8pm *Recovery Meeting* Lancaster Room

Sunday 13 May 2007

10am-Noon *Wrap Up* Greg and Sherry Lancaster Room

We'll have one last chance to come together and share final thoughts or ideas regarding any of the weekend's discussions.
